

TECHNICAL GUIDE  
**OPEN NOA 2016 XCO**  
UCI Class 1, Elite Men and Women  
February 28, 2016  
San Pedro de Colalao, Tucumán, Argentina

# WELCOME

Noa Championship MTB reinvents himself and opens broadening their horizons. In 2016 will be a single date race and will be open to all who want to participate in it, whether or not from the Noa region.

It also goes a step further and becomes UCI Class 1 race for Elite Men and Women as a single category between Elite and U23 to score points for International Competitions UCI Ranking, very important for our athletes with a view for the Olympic Games Rio 2016 and World Championships and World Cups. The Noa region, with Tucumán province as great bearer, gets to the forefront of regional competences and reinvents his championship placing it in the International Calendar so we will receive not only competitors from Noa region and the country but also from Latin America.

The circuit is located on the "Temple" of Mountain Bike Tucumano, San Pedro de Colalao, summer village, and it's called "The Branch of Heaven".

San Pedro de Colalao is located in the province of Tucumán, at a distance of

The Cerro San Javier is located in the province of Tucuman, at a distance of 88.1 km from the capital, San Miguel de Tucumán, using National Route 9. .

San Pedro has a maximum height of about 1100 mos. The tourist village is in a beautiful wooded region (valley) at the western foot of the Calchaquíes Summits. Calchaquíes Summits that constitute the Natural Park , the historic center of town is hovering above the gorge of the river Tipas .

It sports activities like horseback riding, mountain biking, hiking, etc are practiced, in his ideal environment.

The climate of the small valley of San Pedro de Colalao is very pleasant (mesothermal ) with cold nights in winter ( especially in July when it comes to snow ) and gently warm in summer (January, with cool nights ) and therefore deserves to be called Villa summer .

In San Pedro de Colalao during the summer (south) January is National Humita Festival , then in February the National Festival of Quesillo and the National Festival of the Nut , also in February ( 11 this month) celebrates the feast of Our Lady of Lourdes, and a mega dramatization of the life of St. Bernadette and the apparitions of the Virgin, in a natural setting that each year attracts faithful from across the country is made.
